

Isle of Arran Distillers

Distillery Assistant Manager

Job Advert

IOAD are recruiting an Assistant Manager to support the Distillery Managers in production activities at both Lagg and Lochranza Distilleries. This role will involve the day-to-day running of the distilleries, continual improvement and help maintain the growth of both sites.

Key Responsibilities: -

- Supporting Distillery Managers in all production managerial activities
- Lead on continuous improvement projects
- Coordination of compliance and auditing programs
- Assistance with the management of contractor and external suppliers
- Reviewing and implementing site safety & environmental systems

Ideal candidate would have a food and beverage production background. Experience managing safety systems in operational environments. Demonstrates good communication skills, and the ability to prioritise, and work with the teams at both distilleries.

This is an exciting opportunity to join the production management team at IOAD, with excellent potential for personal and professional growth.
